

PRC MT4 Download Instructions For PC

1. Download

The screenshot shows the 'Customer Service' section of a website. On the left is a sidebar with navigation links: 'Open a trading account', 'Funding & Withdrawals', 'Software Download' (highlighted), and 'Contact us'. Below these are contact details: 'Please contact us 24hours anytime.', 'E-mail: support@prcbrokers.com', 'Tel: +357-2249-4960', and 'Online Chat' with a 'start chat' button. The main content area is titled 'Customer Service' and 'Software Download'. Under 'PC Application', there are two sections: 'PRC MT4 for Windows' and 'PRC MT5 for'. Each section has a 'Download' button (highlighted with a red box) and an 'Instructions' button. A blue callout box points to the 'PRC MT4 Download' button with the text '1. Click to download'. At the bottom of the page, a Windows taskbar shows a file named 'prc4setup.exe' with a callout box pointing to it that says '2. Run this file'. A 'back to top' button is visible in the bottom right corner of the page content.

Open a demo account and select the PRC-Demo server.

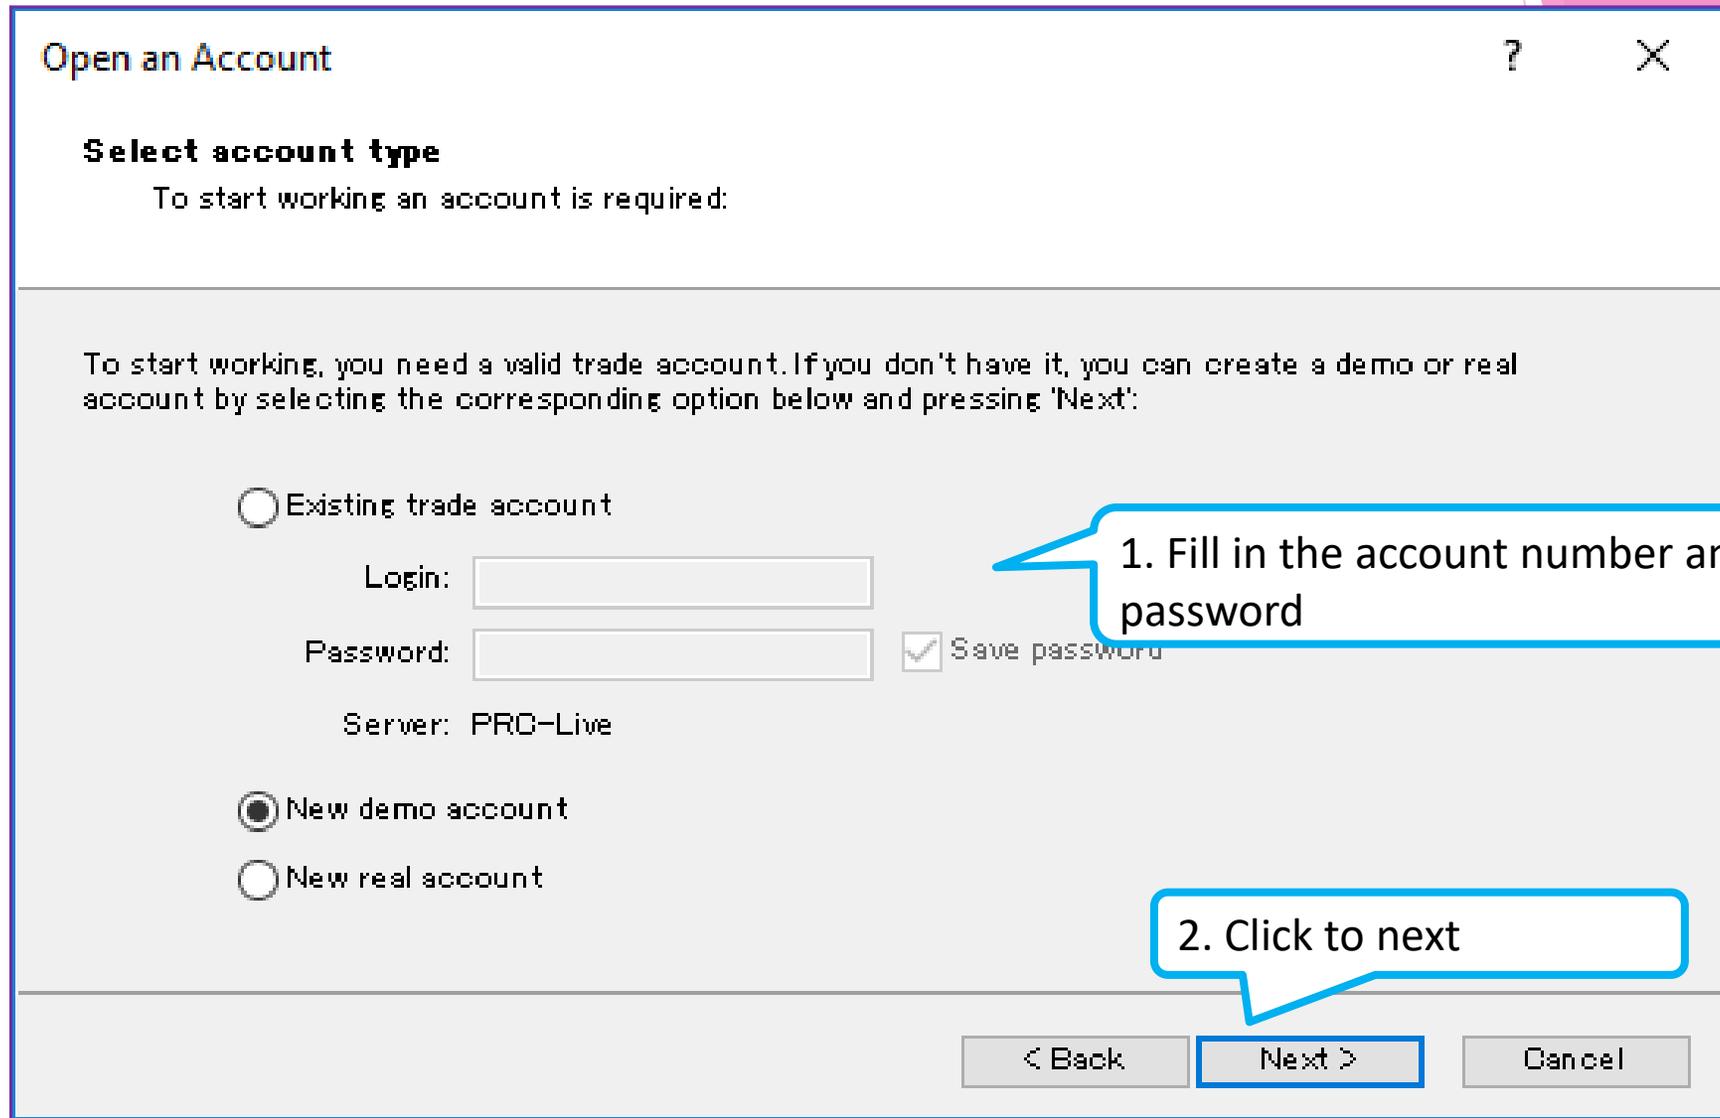

Live account login to select PRC-Live server

2. Click next

Next >

Cancel

4. Log In

The image shows a software dialog box titled "Open an Account" with a question mark and a close button in the top right corner. The dialog contains the following elements:

- Select account type**
To start working an account is required:
- Instructional text: "To start working, you need a valid trade account. If you don't have it, you can create a demo or real account by selecting the corresponding option below and pressing 'Next':"
- Radio button selection:
 - Existing trade account
 - New demo account
 - New real account
- Form fields for the "Existing trade account" option:
 - Login: [text input field]
 - Password: [text input field]
 - Server: FRO-Live
 - Save password
- Navigation buttons at the bottom: "< Back", "Next >", and "Cancel".

Two blue callout boxes provide instructions:

1. Fill in the account number and password (pointing to the Login and Password fields)
2. Click to next (pointing to the "Next >" button)

5. Trade

The screenshot displays a trading platform interface. At the top left, the window title is "12388888: PRC-Live - [XAUUSD,M15]". The menu bar includes "File", "View", "Insert", "Charts", "Tools", "Window", and "Help". A toolbar contains various icons for chart manipulation and trading actions, including a "New Order" button. Below the menu is a "Market Watch" table showing various currency pairs with their bid and ask prices. A callout box points to the "XAUUSD-" entry in this table.

Symbol	Bid	Ask	!	Time
XAUUSD-	1278...	1278...	...	04:38:22
WTIUSD	59.010	59.056	46	04:38:02
XAGUSD-	14.3744	14.3776	32	04:38:19
USDJPY-	109.552	109.559	7	04:38:12
EURUSD-	1.11359	1.11365	6	04:38:14
GBPUSD-	1.26233	1.26241	8	04:38:15
EURGBP-	0.88212	0.88221	9	04:38:14
EURJPY-	121.998	122.008	10	04:38:22
GBPJPY-	138.294	138.303	9	04:38:17
AUDU...	0.69222	0.69228	6	04:38:15
AUDJPY-	75.834	75.843	9	04:38:19
USDCHF-	1.00769	1.00789	20	04:38:03
NZDU...	0.65158	0.65164	6	04:38:15
EURCHF-	1.12224	1.12237	13	04:38:22

The main chart area shows a price chart for XAUUSD with a red line and a blue line. A callout box points to the "Volume" field in the order entry window, which is set to "1.00".

The order entry window is titled "Order" and shows the following details:

- Symbol: XAUUSD-, Gold, Gold Spot (1 LOT = 10oz)
- Volume: 1.00
- Stop Loss: [empty]
- Take Profit: 0.000
- Market Execution: 1278.081 / 1278.239
- Buttons: "Sell by Market" (red) and "Buy by Market" (blue)

A callout box points to the "Buy by Market" button.

At the bottom, the "Terminal" window shows account information: "Balance: 4 017 487.52 USD Equity: 4 017 487.52 Free margin: 4 017 487.52 Profit: 0.00". The status bar at the very bottom shows "For Help, press F1", "Default", "2019.05.29 16:15", "O: 1281.97 H: 1282.20 L: 1280.13", and "433/1 kb".

1. Choose to double click on the currency pair you want to trade, such as gold (XAUUSD.)

2. Input Trade Amount

3. Click to buy or sell

THANKS !
